PROFILE SUMMARY

I am a dedicated front-end developer. I specialize in crafting visually appealing and user-friendly websites using HTML, CSS, and JavaScript. With a keen eye for design, I create layouts that adapt seamlessly to various devices and browsers. Collaborative by nature, I thrive in cross-functional teams, transforming ideas into captivating digital experiences. Staying current with industry trends is my mantra, ensuring my projects are cutting-edge. I'm passionate about user feedback, constantly refining and enhancing the user journey.
